CLEAR ALIGNER CLINIC — AMBASSADOR MARKETING

Adults Are Getting Invisalign and Posting Every Update Make Your Clinic the One They Tag

uFire connects Provo-area clear aligner clinics to local community members (250–10K followers) who post authentic content about your business. You pay per post. They spread the word.

THE PROBLEM

Why Traditional Marketing Fails Clear Aligner Clinic Businesses

✗ 🏠 Invisalign Brand Drowns Out Local Clinics

National Invisalign advertising drives awareness but patients don't know which local provider to trust. Without peer recommendations, they default to whoever ranks first on Google.

✗ 📱 Your Patients' Journey Content Isn't Reaching You

Aligner progression videos and tray-off reveals are happening on social — without tagging your clinic or driving bookings to you.

✗ 🎓 BYU Students Are Your Demographic — And Untapped

College-aged adults are the fastest-growing clear aligner demographic. Provo has 30,000 of them with no clear local strategy to reach them.

THE UFIRE SOLUTION

Simple. Trackable. Human.

1**Launch Your Campaign**

Set your budget, post requirements, and brief. We match you with verified local ambassadors in Provo who already love get clear aligner treatment.

2**Ambassadors Post Authentically**

Real locals create genuine content about your clear aligner clinic and share it with their 250–10,000 followers. You pay only when posts go live.

3**Watch Word-of-Mouth Scale**

Each post reaches local followers who trust the person posting — driving inquiries, bookings, and revenue to your clear aligner clinic.

THE MATH

Why **Ambassador Marketing** Outperforms Every Other Channel

**\$4K–
\$7K**
Average clear aligner case value per patient

30K+
BYU students in Provo — prime clear aligner demographic aged 18–25

12–18 months
Treatment duration — months of post-worthy content milestones

Each clear aligner patient is worth \$4K–\$7K and creates 12–18 months of shareable content milestones. uFire turns each treatment journey into ongoing social proof that drives referrals throughout the patient's entire treatment.
