THE PROBLEM

Family Law Attorney: Why Traditional Marketing Fails

Legal Advertising Is Expensive and Low-Trust

TV ads and billboards for attorneys have the lowest trust ratings of any advertising category. Your ideal clients are waiting for a personal recommendation.

Family Law Discovery Happens in Private Networks

'I need a family law attorney — does anyone have a recommendation?' is asked in private Facebook groups and whisper networks. You need advocates inside those networks.

Google Ads Cost \$40–\$100 Per Click

Family law is among the most expensive Google Ads categories. Ambassador marketing reaches the same audience at 10% of the cost — with far higher trust.
